A stylized illustration of a blue and purple geometric shape, possibly a book cover or a piece of fabric, featuring a small white rectangular label with a black outline. The shape is composed of several overlapping translucent layers in shades of blue and purple, creating a layered, three-dimensional effect. The top edge is jagged and irregular, with some areas appearing to be torn or frayed. A small, white rectangular label with a black outline is positioned near the bottom right corner of the main shape. The background is a light gray grid.
